City-Wide Update

Tina Zagya informed the group about the City-wide Facilitator meeting on November 28th.

Announcements

- 1) Glen Lewis updated the group in regards to the maintenance on the Creek Walk; tree limbs and branches have been removed to allow the natural sunlight to illuminate areas of the Creek Walk. This will be done every 3 years. The City and County are working together to remove invasive species. There is also a new piece of public art along the Creek Walk.
- 2) There will not be a December meeting, the next Lakefront TNT meeting will be on Monday January 22nd. It was suggested that a representative from COR attend the next meeting to update the group on their development projects around the inner harbor.
