Crop2Shop is a web service dedicated to connecting small local producers of fresh fruits and vegetables with local, smaller retailers who often experience challenges managing sales of produce at that scale. The service allows a farmer to identify a radius within which he or she is willing to deliver produce and the types and quantities of produce to match with stores and restaurants who are interested in those products.

6:40 **TNT City-wide Board Director nominations**

6:50 **Announcements**

**Agenda Subject to Change
