Mike Behnke and Dan Horan will be visiting Senator Valesky this week to discuss getting police cameras on James St corridor and along Eastwood Heights Park. Two benches have been installed along Mosley Drive in Eastwood Heights Park.

Issues for City Department Officials: Officer Romain addressed some of the questions/concerns that was submitted on index cards last meeting. Officer Romain explained the new shots fired technology is city wide and working: tells officers 90% of the time before 911 tells them. Keep your doors locked; car, house, garage, and don't leave anything in your car. Don't make it easy for the thief. If you see kids poking around, set your car alarm off or get the dog barking. If you see something call, it shows where the problems are at. Officer Carlos stated there is bicycle registration process in the City of Syracuse. Register your bike and if it is stolen they will be able to track it and return to you. It is a free service.
