Meeting began at 6:31pm.

March 8, 2022 meeting minutes: Paul Harvey motioned to approve the minutes as written, Beverly Griffin seconded, all were in favor.

Issues for DISTRIC Representatives/Elected Officials/city Departments:

Lt. Bowering provided a brief crime update and responded to questions from the community. Anthony Pope, Assembly Member Hunter's constituent liaison reminded all that the Exceptional Women nomination forms are available on the Assembly woman's website. All encouraged to nominate an exceptional woman for their invaluable contributions to the community. Mr. Pope also encouraged attendees to feel free to contact Assembly Member Hunter's office via email of questions or concerns.

Syracuse Metropolitan Transportation Council (SMTC) Meghan Vitale, gave a brief overview of SMTC and upcoming studies for the city and network programs. Ms. Vitale also responded to questions regarding vital needs within the area. This includes sidewalk management and restorations in certain geographical areas on the Eastside.

TNT City -Wide Update:

Matt Oja stated that several areas or locations for potentials murals have been identified. TNT is requesting help from the community with identifying additional locations for murals. The city as Canvas offers some unique opportunities for youth between the ages of 16-22 to help explore their interest in art. Youth will be paid 500.00 for participating in the program if eligible. Artists will present their design to groups for final approval.

Announcements:

Sharon Sherman reminded all that the annual Westcott Fair has been scheduled for Sunday, September 25, 2022. A platform will be set up for any interested dance team.

WACC is sponsoring a Concert on Rose Day, June 19, 2022

Earth Day Cleanup has been scheduled for April 23, 2022. WCC, UNPA, WNA and others are soliciting the community's support for Earth Day clean up
