Brainstorming

We would like to see the following topics covered.

-City of Syracuse-DPW-More reports on all germane topics

Visits from the Codes people

A request for an SU representative at every meeting

An Extensive report and discussion of the Liberty partnership role in public safety

More Captain Bowering reports sent out prior to meetings.

Parking Issues in Thornden Park (especially around the Rose Garden and in the Westcott St. area.

School District topics discussed and a representative from local schools and/or the Central administration at all meetings.

Management of the Outer Comstock welcoming triangle and better care of sidewalk with striping where necessary

Traffic flow along Meadowbrook Rd and into an around Barry Park and added striping where useful with elimination of unnecessary striping

Requests of the TNT board- Do we have money for babysitting at In-person meetings and do we. Or can we get the necessary equipment for a hybrid meeting?

Preference for meeting format-Folks generally want zoom meetings with one or two in - person meetings. Interest was evident for hybrid meeting.
