We opened it up to comments and questions.

Jim: Why wouldn't SPD buy their new building instead of renting? Jimmy - there is no rent option.

Mike: Why isn't Eastwood parks getting free wifi? Jimmy - they will eventually, they are starting in areas where the least wifi access currently exists per the census tracts.

Police Stats:

Violent crime overall continues to decrease

For example, Eastwood had zero murders in 2023.

Rape, robbery, assault, etc, all even or down.

Motor vehicle theft is up big, 185%

In 2024, SPD will put more effort in quality of life and property crimes - currently criminals are targeting commercial properties. Owners please help by securing buildings, use lighting and cameras.

Biggest police calls in Eastwood from residents:

Stolen vehicles everywhere in eastwood and CNY.

New cameras that can result in tickets are coming to James Street by schools: Blessed Sacrament and Lincoln.

Questions for officer:

-We want to see data from 20-30 years ago to compare beyond the 5 year average

-Can we put lights on a mobile traffic sign and move around the area? Officer not sure

-Sunnycrest golf clubhouse was broken into twice by kids. What's happening? Not current leads. They drove golf carts around causing damage.

-Can we hold parents more accounts for the crimes committed by kids? No, we need change at the state level. Officer praised the city government's efforts and attitude.

-We need more focus on odd/even parking. Officer said call/text him or Jimmy Monto with location and will get out there.

-Do police come to car accidents anymore? No, not if there is no injuries. You can file police report online, but they are reducing their visits to civic issues like a car accident to folk efforts elsewhere.
